Count Sea Animals and Complete the Path

Count the sea animals and complete the path with a color pen.

START →

The maze consists of 16 boxes arranged in a grid-like pattern. Each box contains a question "How many?" followed by an illustration of sea animals. The path is defined by the following sequence of boxes:

- Box 1 (Top-Left): 1 jellyfish
- Box 2 (Top-Middle): 2 octopuses
- Box 3 (Top-Right): 3 starfish
- Box 4 (Middle-Right): 4 seahorses
- Box 5 (Middle-Middle): 5 dolphins
- Box 6 (Bottom-Middle): 6 jellyfish
- Box 7 (Bottom-Right): FINISH (2 flags)

Other boxes in the maze include:

- Box 8 (Middle-Left): 7 fish
- Box 9 (Bottom-Left): 3 clownfish
- Box 10 (Bottom-Middle): 3 jellyfish
- Box 11 (Middle-Right): 6 seahorses
- Box 12 (Bottom-Right): 3 worms
- Box 13 (Middle-Middle): 8 dolphins
- Box 14 (Middle-Left): 4 fish
- Box 15 (Bottom-Left): 5 clownfish
- Box 16 (Middle-Right): 7 seahorses
