Count Vegetables and Complete the Path

Count the vegetables and complete the path with a color pen.

START →

The maze consists of 14 boxes arranged in a grid-like pattern. Each box contains a question "How many?" followed by an illustration of a vegetable. The path is defined by the following sequence of boxes:

- Box 1 (Top-Left): 4 green onions. (Number 4 is written below the box)
- Box 2 (Middle-Left): 3 red bell peppers. (Number 3 is written below the box)
- Box 3 (Middle-Center): 2 purple onions. (Number 2 is written below the box)
- Box 4 (Middle-Right): 3 green beans. (Number 3 is written below the box)
- Box 5 (Bottom-Left): 6 mushrooms. (Number 6 is written below the box)
- Box 6 (Bottom-Center): 3 green sprouts. (Number 3 is written below the box)
- Box 7 (Bottom-Right): 6 broccoli. (Number 6 is written below the box)
- Box 8 (Bottom-Furthest-Left): 5 tomatoes. (Number 5 is written below the box)
- Box 9 (Bottom-Furthest-Center): 6 yellow squash. (Number 6 is written below the box)
- Box 10 (Bottom-Furthest-Right): FINISH with two checkered flags. (Number 5 is written below the box)

Other boxes in the maze (which are not on the path) include:

- Top-Middle: 1 green vegetable. (Number 1 is written below the box)
- Top-Right: 5 cauliflower. (Number 5 is written below the box)
- Middle-Furthest-Right: 4 green beans. (Number 4 is written below the box)
- Middle-Furthest-Center: 6 purple onions. (Number 6 is written below the box)
- Middle-Furthest-Left: 8 red bell peppers. (Number 8 is written below the box)
- Bottom-Middle: 9 green sprouts. (Number 9 is written below the box)
