## Worksheet for Solving Riddles with Months of the Year

I am the shortest month of the year,  
With 28 days, I bring cheer.  
I am the end of winter's cold,  
And the start of spring's unfold.  
What month am I?

Answer : \_\_\_\_\_

I am the month of summer's height,  
With long days and warm nights.  
I bring the joy of outdoor play,  
And the start of vacation to sway.  
What month am I?

Answer : \_\_\_\_\_

I am the month of love and hearts,  
With Valentine's Day, a special start.  
I bring the start of spring's sweet bloom,  
And chase away the winter's gloom.  
What month am I?

What month am I?

I am the month of fireworks and stars,  
With Independence Day, a celebration's  
bar.  
I bring the peak of summer's heat,  
And make the days feel oh so sweet.

Answer : \_\_\_\_\_

I am the month of sunshine  
and May flowers,  
With Mother's Day, a day of honors.  
I bring the warmth of summer's glow,  
And make the world with beauty grow.

Answer : \_\_\_\_\_

I am the month of summer's fade,  
With back-to-school days, a new  
parade.  
I bring the start of autumn's cool,  
And the beauty of nature's rule.
