# Color Number 6 to Find Your Way Out

A large maze with a light gray background. At the top center, there is a blue paint can with a blue arrow pointing down into the maze. The maze is composed of black lines forming a complex path. In the center of the maze is a square containing the number '6'. Various other numbers are scattered throughout the maze: '1', '2', '3', '4', '5', '7', '8', and '9'. A blue arrow at the bottom center points up towards the central square. The goal is to trace the path of the number '6' from the paint can to the exit.
