Color Number 7 to Find Your Way Out

A large maze with grey walls and white paths. The maze is rectangular with a thick border. Inside, there are several paths and dead ends. Numbers are placed at various points in the maze: a red '7' at the top left, a blue '5' at the top right, a red '7' in the middle left, a blue '4' on the left side, a red '7' in the center, a red '7' on the right side, a blue '6' at the bottom center, and a red '7' at the bottom right. At the top center, a blue paint bucket is tilted, pouring red paint. A red arrow points down from the bucket. At the bottom center, a red arrow points down to a red square containing the number 7.
