Color Number 19 to Find Your Way Out

A maze with brown walls. The maze contains several numbers: 2, 4, 6, 8, 10, 12, 13, 14, 15, 17, 18, and 19. The number 19 is highlighted in blue. There are two blue arrows: one at the top right pointing down into the maze, and one at the bottom left pointing down to a blue square containing the number 19. The maze is a complex network of paths and dead ends.
