

## Completing the Sequence and Writing Number Pattern Rules

Write the number pattern rules for each sequence. The pattern might be increasing (addition +) or decreasing (subtraction -). Also complete the number sequence.

11    22        44        Rules : \_\_\_\_\_

8    16            40    Rules : \_\_\_\_\_

3    6            15    Rules : \_\_\_\_\_

   28            7    Rules : \_\_\_\_\_

20        12            Rules : \_\_\_\_\_

   36        18        Rules : \_\_\_\_\_
